MEMORANDUM

September 30, 2014

TO: All Staff
FROM: Mary Lou McDonough, Director
RE: ICE Detainers

Effective at 2300 hours on September 30, 2014, we will no longer honor **U.S. Immigration and Customs Enforcement (ICE) Detainers unless accompanied by a warrant.** Prince George's County has determined that it could be a violation of the Fourth Amendment for state and local law enforcement officers to detain or arrest an individual solely on the basis of a civil immigration detainer issued by ICE unless they are acting under federal authority. If an ICE Detainer is received for an individual in custody **no action is to be taken.**

This memo shall serve as policy until Policy and Procedure 6.4 – Criminal History Reports NCIC/MILES/1029 has been revised.

If there are any questions regarding this policy or ICE detainers in general, please contact Lt. Knowles ext. 7024 or Major Chubb ext. 2369
